Family Camp:
CAMP FOR ALL AGES
 June 27-30

Come to Menno Haven and enjoy a vacation like none other and at a great price! The moment you enter our grounds, feel your worries go away. On this vacation you don't have to worry about choosing where to eat, you don't have to make food, you don't have to do dishes, you don't have to plan fun activities! All you need to do is come and let Menno Haven do the hard work. There will be activities to meet everyone's interests. The balance of structured and free time allows for flexibility in different families.

Remember, family doesn't just have to mean kids. Come as a married couple or by yourself; you'll still have fun! Worship times will include singing with everybody followed by separate sessions of input for adults and children. Some activities to look forward to include rock climbing, sports, boating, campfires, crafts, swimming, and spending time with the summer staff and other families.

Dear Youth and Family Campers:

Another fun and worshipful camping season is upon us! Please feel free to read some of the quotes about last year that are located throughout this brochure. We want everyone to be able to experience a week at camp! If there is anything prohibiting this, please talk to us!

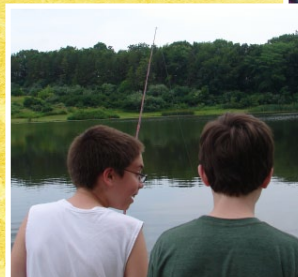

The theme this year is "God's Own Child: Called to be Peculiar." Journey with us while we look at I Peter 2:9 and Jesus' ministry where we are called to be peculiar in our actions, reactions, thinking, and beliefs. Come ready to be challenged in how you interact with those around you through some stories from Jesus' ministry. As God's own children we are called to be peculiar: wonderfully wacky and weird.

As summer approaches check our website for more updated information, such as camp speakers.

Join us this summer as we create memories that will last a lifetime!!

Grace and peace,

Scott Litwiller
Program Director
