Grandparent/Grandchild

“Do you not know that in a race all the runners run, but only one receives the prize? So run that you may obtain it. Every athlete exercises self-control in all things…”

1 Corinthians 9:24-25

GrandCamp Midwest is an amazing inter-generational adventure designed to transport grandparents and their grandkids away from the daily distractions of life where God can do something extraordinary in the lives of both grandparents and grandkids. If you are a grandparent, GrandCamp offers a unique environment and context for providing a powerful, transformational generation-to-generation experience.

The Bible compares our life journey to a race of “competing in the games.” There is a prize we are seeking as we train our minds, hearts and bodies in this life. The theme, GO FOR THE GOLD, is based upon 1 Corinthians 9:24-25, and is designed to challenge both grandchildren and grandparents to understand what it means to run in the race of life for the crown that will last forever. We will be borrowing ideas and terminology from the Olympics as a way to engage with the concept of ‘training’ as the key to persevering in life’s race with our eyes on Jesus.

Cost:
$300/ person for adults and children* 11 & up
$250 / child* 7-10

* suggested age of grandchildren: 7-12 years old

What’s Camp Like?
A typical day begins with a breakfast followed by a morning session of songs, group games, Bible story, and Bible memory activities. This is followed by separate breakout sessions for the grandparents and the grandchildren. Next, comes lunch, together again as families. The afternoon is spent in camp activities of your choice where grandparents and their grandchildren enjoy being together for everything from swimming, lake activities, ziplining, hiking, climbing wall, and indoor/outdoor games. After a dinner together in the dining hall, the whole group meets again for an evening activity and campfire devotional with songs and application of the day’s theme. Finally, it’s off to their rooms for bedtime preparations and the family devotions that sum up the days Biblical lessons and provide the context for deeper heart talks.
