

Dear Friend of Menno Haven,

This is the **season of Advent** and it is an appropriate time to write you **sharing the joy we have seen here at Menno Haven** over the last year. I wish you could have seen the faces of our campers and guests as they made their way back to this sacred space for the first time in 1-2 years. You could tell they had **held hope** to return. You could **sense their love** for this place, **see the joy** on their face, and **feel the spirit of peace** flow over them during their time here. It was like a season of Advent all year long!

So many people continue to be blessed by the ministry that happens at Menno Haven. I am so thankful to be part of this story and **I am so thankful that YOU are part of the Menno Haven story** and making these moments happen.

It's wonderful at this time of the year to take a step back and remember how our Menno Haven story is part of **the bigger story of Jesus and His redemption for the world**. It's a time to remember how **all gifts - big or small - can make a significant difference** for the lives of others and for eternity.

**Thank you for your many gifts to Menno Haven this year - gifts of prayer, encouragement, time, and finances.** We could not have made it through the last year without all of you coming together and working for the greater good of the Menno Haven ministry. **We expressed a need and you responded. Many, many thanks!** While much has changed over the past year, we are still at a place to need your help to make summer camp, winter retreats, and the ministry of Menno Haven possible.

**Would you consider giving a year-end gift to support the mission of Menno Haven?** Give right now by clicking the button below, or mail a gift to the address at the bottom of this message postmarked by December 31st.

[Give to support the Menno Haven Ministry](#)

**Thank you for your part in the Menno Haven story** and for helping us to provide the hope, love, joy & peace that only comes through Jesus to all who come to this place.

**I pray you also are able to feel the hope, love, joy and peace of Jesus this Advent season and always.**
