Serving youth and churches since 1958, Menno Haven Camp & Retreat Center is located in the rolling hills of north-central Illinois. Here one may relax amidst the simplicity of the great outdoors, walk through the woods, sing around a campfire as the sun sets, paddle a canoe, listen to a chorus of frogs. Dedicated to providing a space for renewal and growth of body, spirit and relationships, we trust you will be blessed by your time here.

We host a variety of church groups, schools, family reunions, businesses and special events in addition to operating our own summer and winter programs.

Menno Haven is a member of the Christian Camp & Conference Association and the Mennonite Camping Association which is affiliated with Mennonite Church USA.
